

Hyosung 8XW

Secure your ATM network from both attacks and the weather.

The Hyosung 8XW is a fully weatherized, free-standing recycling ATM that comes with a large cash capacity, as well as other innovations in cash handling. This recycling ATM is ideal for optimal outdoor self-service banking operations.

Feature Highlights

Advanced Cash Recycling

Reduce operating costs and increase availability

Large Cash Capacity

Reduce CIT frequency to optimized cash operations

Multi-Denomination Support

Efficiently recycle numerous denominations

Weatherized Protection

Robust design and structure protects the ATM from the elements
